

Are you struggling? We can help.

Lift Up Sarpy County is a collaborative team made up of community agencies, individuals and faith-based organizations who come together to help children and families in difficult situations and those in crisis.

When we hear about a family that needs help, our team meets to discuss their situation and determine how and who can help the family.

The help we provide comes in many forms:

- Monetary assistance with rent to avoid eviction, with utilities to avoid shut off notices or with car payments or car repairs;
- Help secure furniture or basic household items;
- Referrals for health services or childcare

And more!

Our ultimate goal is to help you move from a state of crisis and difficulty into a place of sustainability.

Lift Up Sarpy County also provides opportunities for individuals to participate in free financial education classes, credit check and legal aid clinics, and one-on-one coaching.

If you would like to learn more, or if you need help, please contact your child's school counselor or:
